Additional Details

Communication Skills
Team management

Strengths

- A self driven learner with Front-End and Back-End knowledge. Passionate about implementing and launching new projects.
- Ready to learn new technologies/Frameworks and implement them to further improve my knowledge.
- A team player with good communication skill always ready to work for the enrichment of knowledge.
- Has working knowledge on Java Microservice Development using Spring framework on an intermediate level. Also Implemented Eureka Server in case study and upskilling day by day.
- Software Engineer who is Strong in design and integration with intuitive problem-solving skills. Passionate about implementing and launching new projects.

Achivement

1. Weather Application

Developed the Weather application on JAVA using spring framework and microservices. Used Postman and the client software for the first stage of the case study assessment during training program.

In second stage of the case study developed the front-end using the Angular, and connected the front end and backend.

2. Completed Git, GitHub at Capgemini Degreed Platform

Learnt the concepts of Git and GitHub, simultaneously applied the concepts for better learning.
